On behalf of Vashon High, I would like to thank you for your contribution of 10,000 plus single juices. Your positive rewards, for attendance helps us continue in our mission and to assist those students within the building, to get to class on time and to get our attendance data up. I would also like to thank you for the refrigerator that help us to keep the juices cold and to give out more to students as attendance went up to 80%, we are nowhere near 92%, but your donation, made it possible to achieve 4 out of 10 points.

The generous support of individuals like you makes it possible for urban school, such as mine to provide and reward a positive cultural and a great place to attend school.

Thank you again for your support!

Sincerely;
