To: Prepared (The Gateway of the Northwest)

I just learned of your generous contribution to Vashon High School student body. To say that I was touched by your sincere devotion to our students does not sufficiently express my gratitude. You have provided the means for several students to receive juice and snacks as an incentive for good behavior. In our classroom, we use a token economy to reward our students for displaying positive behavior and complying with the classroom management plan. The items that you provided will be used for that purpose. In addition, the juice and snacks will be distributed to our students for being responsible.

Unless you object, the name of your company will be given to our administrative team as a philanthropist for our students. Please accept my deepest gratitude for your generosity. We are fortunate to have such wonderful and thoughtful friends. We at Vashon High School are very spontaneous, so don't hesitate to drop by for a school tour.

Thanks,

Terrell Mobley

Dear Prepared [The Gateway Of The Northwest]:

I am a 10th grade teacher at Vashon high School and I use the resources for positive behavior and attendance for my students. My students and I would like to thank you for the juices that you have provided to us. Since getting the juices my attendance went from 70.9 to 90.3 percent. As, a teacher looking to reward positive behavior and attendance this really went along way. I also, look forward to you providing future resources throughout the year, to keep the state goal of 90% attendance.

Sincerely:

Ms.
